Gushing Over Gina

Dear Virgin Territory,

I want to commend you for the fabulous XXX layout of Gina in the Oct. '13 issue of *18eighteen*, of which I have been a subscriber for many years.

I have never seen a sexier or more exciting girl wither in *18eighteen* or in any other comparable magazine. Her face, her beautiful blonde hair, her tight, exquisite body—with no jewelry or tattoos—are truly phenomenal. Gina's Oct. '13 layout is for me the hottest and most sexually thrilling depiction of a gorgeous young girl that I have ever seen. It leads to wonderfully delectable fantasies that regrettably I am unable to describe here. But I bet you could guess!

The Brat Chat date for Gina states that she is from a small and remote Russian town yet her immaculate school uniform, her stylish glasses, her sophisticated comments and her exquisite body could spot her readily as a New York City Upper

East Sider. Whether or not her "training" was actually the result of her purported "teacher" or otherwise. She depicts an experienced and totally lascivious young girl, and the photo on page 89 of her layout is unquestionably, though very low-key, the hottest sex pic that I have ever seen, anywhere, anytime.

Needless to say, I would love to "know" Gina, though I am realistic enough to realize that this can never be. I congratulate *18eighteen* for discovering her and hope that she will soon be available on a DVD, which I will, of course, buy immediately and will cherish! Best wishes.—E.H., Denton, Maryland

Dear E.H.,

Thanks for writing in. Gina is truly one of a kind. If you would like to see the video version of this hardcore scene (which we can honestly say is very hot), you can check it out on 18eighteen.com. Gina also has another hardcore anal scene in the DVD Back Door Brats, which is available on page 9.

All About August

Dear Virgin Territory,

Thank you very much for the Aug. '13 issue of *18eighteen*. From start to finish, it was yet another exceptional issue filled with more of the hottest teenagers. The video preview for *Cum Guzzlers POV* was absolutely fantastic, and you continue to produce nothing but the best DVDs ever. Every single one of those girls in this DVD was awesome, especially Sindy with that load of cum on her braces and stellar Lara who got a nice shot in the mouth. Chloe was the first teen in this issue, and she immediately jumped my cock into action. I absolutely adore her precious face, teenie tits, bald and ripe twat and asshole. The picture of her on page 35 where she is fingering herself while licking that lollipop was unbelievable. Natalie was next and her whole layout was also great. She is a beautiful brunette with a killer body. I loved seeing her stretch out her pussy and finger it on page 43.

Little slut Kira was my next favorite, and her anal layout was

some of the best teen anal you've put in your magazine. She is another all-star with drop-dead looks—my favorite kind of tits, bald cooch and that fine ass. I wish it were my cock filling her pussy and butt. She took this guy's like a pro, and that cum load on her priceless face had me shooting a great load as well. Amazing! Reader favorite Emily was next, and it was awesome seeing her again. I think it's been awhile. She hasn't changed a bit though and still looks fiery as ever, even with larger tits. Wow! What another beautiful shot of her incredibly pussy and asshole on page 77. Mmmm...if only I could get my tongue and dick inside those.

Tinsel-toothed Jean was next and even though she's definitely not that hot, I blew another pretty good load halfway through her layout. That picture

**There's
more to Aurora
than just a hot
body. She has a
fun, sexy, playful
personality,
too!**

on page 84 of that glorious cooch is what did it for me. Holy shit! I remember Jean from a hardcore scene before, and now I think I want to see another. The ever gorgeous tramp Ava and her hardcore shoot was last, and it goes without saying that it was amazing seeing her again and especially filled with dick. It's no wonder why everyone loves her so much. She is a cock-sucking champ and milks this dude's with her precious, little pussy. I loved the cum all around her pussy, but you know Ava with a creampie would have been off the charts. This issue of 18eighteen reaffirmed why I love your magazines and products the most. We are almost through 2013, and I don't believe you've had one bad issue this year. I thank you and appreciate that. Keep it up, please.—M.F., Camp Hill, Pennsylvania

*Dear M.F.,
As always, thanks for
writing in. We've tried
hard to keep up the quality of the
magazine and are glad such a discerning
reader as yourself has noticed!*

Aurora's Charm

Dear Virgin Territory,

Aurora is something else. This girl has personality! I have to admit that while I love your magazine, it is obvious that some girls are better at modeling than others. Some girls have a youthful exuberance that jumps off the page, others kind of fall flat.

Fortunately Aurora is the former kind. Every look of hers is lustful and full of passion. The way she bites her lip and looks straight at the camera drives me crazy. She has great legs and ass. It really shows that she was a dancer and cheerleader. That ass of hers is so slappable on page 47. Aurora's centerfold shot was also lovely. It truly showcases that meaty pussy of hers, as does the photo on the bottom right of page 52 (amazing!) and the one on page 53. Normally I like small labia, but

Aurora's pussy lips look so delicious. My cock aches to pound her meat curtains then pull out and spray a big load all over those little titties of hers. Or even better, cum inside her and watch her squeeze it out! I hope I get to see one of these scenarios come true in a XXX scene with Aurora.—T.V., Billings, Montana

Dear T.V.,

We thought the same thing about Aurora! Honestly, she does have a great personality. The studio manager even commented to us about how magnetic Aurora is. Wait till you see her on video!

52-Year-Old Virgin

Dear Virgin Territory,

Wearing cologne will get me laid? Yeah right! I have oceanfront property in Montana. Wanna buy some?

Wearing cologne when I was young (20s) definitely didn't get me laid, so how will wearing it now (I'm 52) do so?

One reader would like to lose his virginity to alluring, little Karissa.

I don't think it matters what I do. Females just don't seem to like me. I try talking to them, ignoring them, but nothing seems to matter. I am a "nice" guy. Maybe that is the problem. Maybe I should learn to be like Stifler from the *American Pie* movies and treat the girls like crap. That is

something I have never been able to understand; the guys who treat girls like crap have them falling at their feet, but "nice" guys can't even get them to talk to us! What gives? Maybe some of your girls can enlighten us on that, and maybe tell us why this is?

I am beginning to think that I will still be a virgin when I die. My favorite girl in the Sept. '13 issue is Karissa. She resembles a young Melissa Sue Anderson (*Little House on the Prairie* [TV show in the 1970s]). She can come to visit anytime!—J.H., Aberdeen, South Dakota

Lusting for Lolly

Dear Virgin Territory,

Lolly from the Oct. '13 issue was simply stunning. I loved everything about this hardcore layout. Her fresh, young face, her pussy, puffy nipples and that creamed pussy of hers. Although I don't think I have ever seen her in a solo pictorial before. Usually you run a solo of a girl before featuring her in hardcore. Maybe I missed her before. Either way, no complaints here. I am one of the guys who likes hardcore so I was very happy to see these photos of Lolly. My

Dear J.H.,

As a woman, the first piece of advice I can give you is that you have to stop feeling sorry for yourself. A positive attitude counts for a lot as far as attraction goes, and especially for your own well-being. Second of all, don't try to be anything—nice, mean, whatever. Just be yourself. It's not that women are entirely attracted to assholes. Yes, some women are. But those of us who have a good head on our shoulders like guys who are genuinely confident and have interests, work and hobbies that occupy their time. Personally, I like to talk to and date nice guys. It's when a guy is too eager to please at his own expense that red flags go up. The best advice I can give is to have your own life, and love your own life. That is what is truly attractive to women.

favorite things about her pictorial were seeing that photo on page 15 of her riding that cock with her skirt still on and the cum dripping its way out of her twat. Creampies are the hottest thing, so please keep featuring them. Excellent job. Thanks again for the grade-A girl and grade-A issue.—B.P., New Orleans, Louisiana

Dear B.P.,

We usually run models in solo pictorials before featuring them in hardcore. But Lolly was featured in hardcore first. Her set was just too good to sit on, especially for the Back to School issue. But fans of solo need not worry. Her solo pictorial is in this issue on page 79, and she's giving away her cotton panties!

Creamy Coochie

Does your cooch always get creamy?

"When I fuck, yeah. I always get super juicy and creamy. I get so turned on that my pussy starts to leak like crazy. A lot of the time I leave a wet spot on the bed from my juices dripping down my butt."

You like it when guys show you who's boss?

"Yes, I love an aggressive guy who's in charge. I want a man who will pull my hair, rip off my clothes and ravage my body. What can I say? I like it a little rough. I want him to toss me around and fuck me hard then cum all over my face."

Raven is Zoey and Megan's bitchy boss.

They're helping her set up for a party, but they're getting tired of her demanding ways. Zoey (the cute teen with the little tits) tries to defy Raven, but this MILF ain't having it! She puts Zoey in her place by pulling down her cotton panties and spanking her teen ass! Raven is the boss, and she demands the girls undress and do all sorts of naughty things like finger her pussy, suck her tits and eat each other's pussies. What follows is a lezzie three-way with lots of pussy eating, tit sucking and vibrator fun!

Megan

How was it, Megan?

"Raven is totally my lezzie mentor. She taught Zoey and I how to really dive into pussy and eat it good. I loved her being in control."

Zoey, what did you think about your lezzie three-way with Raven?

"It was super hot! She pulled my hair and Megan's hair and made us kiss. Then she pushed my face into Megan's pussy and told me exactly how to lick it. She really is the boss! I liked eating her pussy, too. It was just as sweet as Megan's. By the time she got the vibrators out my pussy was aching to cum, so I had a huge, intense orgasm."

Three's a crowd? Not for these adventurous young ladies. In fact, for some three is just an appetizer.

By Payton Parker

Curiosity.

It's what all first times are about, really, whether we're discussing sex or sushi or skydiving. "What would that be like?" we wonder. We think about it. We imagine it. And then, as human nature most often dictates, we try it and decide if it's a new lifelong pursuit, something to put in special-event rotation or a one-time event we'll chalk up to life experience and move on, a little more insightful about what turns us on.

What are teenage girls if not curious? So young, with all their lives laid out before their lovely, little feet, they are the very embodiment of the word, bodies bursting with new and very adult desires. In fact, as she moved through adolescence, Simone, now 21, confessed that

it seemed she had new curiosities just about every day when it came to

her burgeoning sexuality. "I remember kissing a boy after a dance in junior high and all the feelings that got started up in my body," she said. "It wasn't a gentle awakening," she laughed. "It was more like a raging wildfire ignited from a cigarette someone flicked out the car window. WHOOF! And the whole field was burning...." Simone kissed him and soon she wondered what it would be like to kiss another girl. "I solved that mystery, too, before too long, but ever since I've wondered what it would be like to be with both at the same time." It was something that lay dormant—well, as dormant as her own roving hands would allow—for a couple of years.

"It wasn't something I was comfortable confessing to just any boy I was dating or even a girlfriend, because I was nervous they'd think that meant I was crushing on them or something. I kept it to myself and stoked that fire when I was alone, imagining being kissed passionately on my mouth while another person Frenched my girl parts in just the same way. I imagined a hard cock inside me and hard nip-

ples against my tongue. I imagined looking into my boyfriend's eyes and watching another girl suck his cock. Or him watching us, watching me, while she licked my pussy...."

Unfortunately, poor Simone hadn't had a regular guy in awhile. There was no shortage of suitors—the college sophomore, with her mixed-race background, was an exotic beauty—flawless dulce de leche skin and full lips, dark, almond-shaped eyes and a tangle of dark blonde hair atop her petite frame made her a confection that few men, young or old, could resist.

"Recently," she told us, her cheeks rosy with demure excitement, "I realized that a long-time friend had turned into something more." Rob, 32, her former supervisor at the community college bookstore, was for two years a friend and confidante. The relationship had since upgraded.

"The sex is amazing," she confided, "and lying in bed afterwards we'd sometimes talk about fantasies we had, and I finally told him I thought it would be really sexy to be with another girl while we were together." Simone and Robbie didn't want to complicate their new romance, though. "We decided she had to be a stranger," said Simone, "someone we could enjoy and have fun with, but never see again."

The answer: go on a vacation. "Robbie took me to Las Vegas for my 21st birthday. Raunch and romance. It was perfect!"

Simone bought a gorgeous, hot pink dress for their night in the casino—a backless halter. "We played a little while and met this really cute, fun couple. The boyfriend was way into the gambling, but after awhile Carolina, his amazingly friendly, cute blonde girlfriend, was dying to hit the nightclub. They didn't seem to mind parting ways, so we whisked her off and toasted my birthday with an expensive bottle of bubbly."

Carolina and Simone laughed and danced. "And Robbie was like the shepherd. He stayed mostly out of the way, allowing us to bond, making sure we were okay."

Emboldened by the champagne, Simone finally got the nerve to ask Carolina back to the room. "What happens in Vegas..." she said after a few beats, tucking a wavy blonde lock

behind one ear and looking just a tiny bit shy for the first time that night. Simone knew then that they'd be a perfect match.

"In the elevator, on the way back to the room, she and I began kissing. Robbie stayed on the other side, watching. There was a wild heat in his eye that was making my pussy very wet. I loved him watching. I loved the way she kissed. Her tongue was amazing and soft, and I was thinking about lifting my dress so she could press her mouth into my mound right there...but we did manage to make it back to the room before the nasty really started to happen."

The women fell at each other, witches bewitched, peeling the gowns from one another's bodies and devouring one another's mouths. They yanked

He lay in the middle, holding them as they kissed over his head...

Robbie into bed, cherubic succubae falling onto him as they had each other, four hands stripping him naked in seconds, soft hair and mouths and arms and legs and hands clawing at him.

He lay in the middle, holding them as they kissed over his head, then the three of them fell into a delirious make out session, one that seemed ripped from a romance novel before Simone took a seat on his cock and Carolina on his face. He was sure he was about to be the happiest man ever to be smothered to death.

They pulled him up to his knees and here came Simone's ultimate fantasy, she fed Robbie's cock into Carolina's tight, wet pussy, literally helping him to enter her as she flicked and licked her new friend's pussy into wonderful convulsive pleasure. She watched it slide in and out and then straddled Carolina's face, eyes locked with Robbie's. Carolina had become their new sex toy. Robbie fucked her. She licked Simone. They kissed over

her, and Simone reached down to finger her own button while Robbie copied her actions on Carolina. One minute passed, then two, the three became an orgasm triangle, Robbie shooting his load onto both girls' stomachs as they both moaned and gyrated and came in wonderful feminine waves.

It was only

the beginning of an evening that would have half a dozen such triplings before they escorted a very satisfied—and exhausted—Carolina to a cab in the hotel lobby and then embarked on a long, relaxing day of recollection by the resort pool.

Revenge Fuck.....

"At first," Abby wrote to me, mentioning that she glanced around as if to make sure no one she knew was about, "I was sort of annoyed. Jealous, even. Why did he want another girl in our bed? Wasn't I enough?"

I looked at the picture she'd attached to the email. She was for sure something to look at. Standing next to

her beau, Charlie—he was 44—she looked young enough to be his daughter if he'd had one just out of high school, and probably about five-foot-six I estimated. She had long, dark hair—silky and wavy—that fell nearly to her waist and a clean, innocent face with wide blue eyes and a flush about her cheeks. She was a real Midwestern farm girl, right down to her family—which had been making cheese in Wisconsin for several generations, believe it or not.

"Charlie and I had incredible chemistry," she'd written. "It was like his cock was made for me, and even though before we met I'd been kind of shy and pretty inexperienced—I was just 18 at the time—he really brought me out of my shell." Since then, she later told me in a phone call, he had taught her the art of the '69,' they'd had fun making home videos (for personal use only) and had a bit of an introduction to the joys of toys.

"Sitting up with my back to the headboard or against the tile in Charlie's really nice master bath shower," she'd writ-

ten, "I really got to have fun acting slutty for fun—sometimes even for the camera—spreading my legs wide, soaping up my whole body, including my cunny and then working myself over with the big, pink vibrator he bought me. It's totally waterproof and has a little buzzing bunny rabbit on it in case I want to give my button an extra bit of zing!"

But then, nearly two years into the relationship, Charlie let an untapped fantasy slip. He had never been with two women at once and always wanted to. Would Abby consider bringing a friend home?

"I was hurt." But, she told me secretly, in her notes, the idea of being

doing all the things that Charlie would do to me."

The best part? She veiled her whole plan. "I called to tell him I needed a break and was coming to get some of my stuff," she giggles in recollection. "It looked as though Laurie had just come along as a buffer, a friend supporting me during a difficult time."

Charlie was dumbstruck. He followed them into his bedroom as Abby went rifling through the drawers, putting her things into a duffel bag while he stammered, confused. She pulled out a teddy he'd bought her awhile back, not for any occasion. A 'just because' present.

"Is this about the 'other girl' thing?" he said. "Abby, it's not that big a deal. It's just a fantasy."

That was the perfect set-up. She shot a look over at Laurie to let her know it was go-time. "It is, actually," Laurie said, stepping closer to Abby, almost protectively. "In fact, I wouldn't mind seeing you in that teddy, Abby. Would you put it on for me?" Charlie stood in the doorway, confused. Were they breaking up? Was Abby with Laurie now? Had he been the one to push her there? What the hell was going on?

Abby looked at him. "Sit down, Charlie," she said, trying to be a bit stern as she pointed to the cushy leather chaise in the corner of the bedroom, but allowing a giggle to escape.

"This is on my terms. Keep your clothes on. Sit down. And stay."

And before Laurie's lips descended on Abby's, her tongue visibly invading as they sighed and sunk to the bed and began to caress one another, she shot Charlie a hard—if friendly—look. "Good boy," she said.

Abby lay back on the bed, her head near where Charlie sat. Laurie sat atop, easing up the tank top, revealing Abby's small breasts, her pale strawberry nips rigid and reaching for the ceiling as Laurie's palms went over them, back and forth.

Abby's eyes were closed. "I really pretended he wasn't there," she said. "I was very turned on. I wanted to go with the girl-girl thing and experience it for what it was before I let the whole

with a girl did turn her on. "I figured she would touch me differently. Know how to lick my pussy or put her fingers—or my toy—inside me more intuitively. So then I started fantasizing about it. But in my fantasy, Charlie didn't get to play. He'd have to sit there with his clothes on and just watch."

So in the end, she relented. "I was going to live out my tease fantasy."

After a few weeks confiding with her friend, Laurie, she became a recruit. "Laurie is super sexy. Really tall. She and I would look hot together, especially if she 'dominated' me a little,

Kristina, it looks like you're all ready for Christmas!

"I am! I've been a good girl all year so I really hope Santa gives me what I asked for. Of course, I'm too old to believe in Santa. But that's what I like to call my boyfriend because he's older and sort of a sugar daddy. All I want for Christmas is for him to fuck me hard and make me scream his name."

How much older is your boyfriend? How did you meet him?

"He's 33. That might not seem that old to some people, but to an 18-year-old it's kind of a big difference! I met him from the Internet. He added me on Facebook because we had some mutual friends, and we started chatting. Eventually we met, and the rest is history! It's been really great so far. He's been my first everything, including my first orgasm! And he likes to buy me stuff, but I don't care too much about that. I would rather get dick over gifts!"

What was it like to lose your virginity to him?

"It was nice. He knew I was a virgin so he really took his time. He ate me out and fingered me for a long time to make sure I was ready for my first dose of dick. Then he put it in really nice and slow. He took care of everything and told me what to do, and I was totally comfortable. It was a good experience, but we've had way better sex since then. He had to start off gentle with me because my pussy was so tight and fresh, but now I can handle a pretty hard pounding. I've come a long way with him since I lost my virginity. We're exploring new, kinky things all the time, and I'm super horny all the time."

Welcome back, Brook!
What've you been up to
since the Jan. '12 issue?

"Having lots of sex and being as kinky as possible! I've recently met a guy with a big, fat cock, so we've been fucking 24/7. We're doing it all over town, too!"

Where have you guys fucked? Give us the details!

"We've fucked in the bathroom at restaurants and bars, at a laundrette, in alleys, in the park. We don't go out with the intention of fucking, it's just that he turns me on so much I want to do it all the time, even if we're in public! I just look at him, and I want to makeout with him and start rubbing his cock and feel it get hard in his pants. And once that happens all I want to do is wrap my lips around his willy and feel him pound me in every position."

'he's watching' thing come into play. My pussy was getting very tingly and wet. It was hot grinding it against Laurie's coochie, wondering what that might feel like once our clothes were off. Hard bones, soft cunny. Was she bald or hairy? Would she want to lick me? Would I be able to do it to her? We hadn't gone over any of it at all! It was totally unplanned. And then her fingers curled under the edge of my pink denim shorts—they were very short—and I could feel them playing on the edge of my white, lacy panties. Lithe women's fingers. Totally different than a man's rough hands. And very sexy."

Laurie bent to taste Abby's nips, teasing and licking and sucking each, and asking her if she liked it. Abby, who enjoyed playing the "bottom" to Charlie's "top," enjoyed it just as much with Laurie. Maybe even more.

"In a woman's voice, the dominance was really sexy," she admitted. And with each question Laurie asked, she'd answer with a breathy, "Uh-huh" or "Mm-hmm" and loved cracking her eyes just a bit to see Laurie giving Charlie the eye.

"It was all, 'That's right, bitch. I'm going to fuck your girl better than you and you're going to sit there and watch,'" she said later, laughing. "And I admit it. It turned me on. It was my sex fantasy come to life. He wanted to see me with another girl? I wasn't enough? Well, maybe this would show him that he might not be enough, either."

Laurie kissed her neck, making her hips grind up harder.

"I can feel your little pussy," Laurie said in her ear, tonguing it. "I want to lick it. I want to put my mouth on your sweet cunny. Can I? Will you let me do that?"

"Mmm-hmm."

Laurie peeled down her shorts and panties all at once, revealing Abby's tiny square box of fur, just a fluffy patch covering her slit. The rest was bare. Her tan lines were popping, too. It was the middle of the summer. It made her snatch look somehow MORE naked, more off-limits.

"Mmm, that is a creamy, little pussy. Can I eat it?"

"Yes, please!"

She looked at Charlie while she spread Abby's legs. Abby's head was hanging off the bed now, there in front of Charlie, her contorted, sexed-up face just a foot from where he sat, hard-on leaking pre-cum into his boxer briefs, so engorged it was almost painful. She watched him as she lowered her mouth to Abby's swollen cunny and put the whole thing in her mouth, tongue cleaving the lips, drawing all the folds of her pussy into her mouth, devouring her, pressing on her button. All of it at once. Abby moaned.

Charlie shifted in his seat, eyes glued to Laurie's mouth and the serious treatment it was giving his Abby's lady parts. He wanted to get closer and watch. He was dreaming about putting the head of his cock there and feeling Abby's slick snatch beneath and Laurie's wet mouth on top.

She ate pussy, boy. That girl was really eating Abby's pussy. And then, she was sliding out of her t-shirt dress. And now, they were naked and writhing on his bed. And all he could do was sit there with his mouth wet and his balls throbbing.

Laurie slid up and they began to kiss, cunnies grinding together wetly. He could HEAR it, for Chrissake. The wetness, co-mingling. Their moans as they kissed and whispered hotly, girlishly, to one another. And then they'd look at him.

"I want to try it," Abby said shyly.

"What, baby?"

"I want to... eat your pussy."

And with that, they reversed. Now Laurie's crazy-sexy blonde muff was there, in his fucking face, legs spread and he could see her sugar leaking down to her crack. Abby was sitting on Laurie's face and he could see her pretty hands spreading Abby's cheeks. Somewhere below, she

"It was my sex fantasy come to life."

had her tongue all up in Abby's business. And now he was watching Abby, smiling at him in her shy teen-girl way.

"I love you, Charlie..." She mouthed it at him

wordlessly. Then, out loud, "Now why don't you get on your knees there and help me eat this juicy, hot, blonde pussy."

"Mmmm, yeah," came Laurie, muffled from beneath Abby's pelvis. Tension broken with a laugh.

And that was it. He leapt forward and they kissed, their chins hovering centimeters from Laurie's dripping cooze, tongues tangling, all forgiven, everything wrapped in a silken ribbon of lust and good intention.

"Hello?" came Laurie again, hips straining upward, breaking up the sweet reunion, making them laugh again before they plunged their mouths into the varied depths and textures of her nether parts, tongues dancing on the slick pink surface of her snatch. They kissed one another and her simultaneously, coaxing waves of pleasure from her body, then rising, allowing her to come back down to earth.

"I think I've more than served my purpose here," she said with good humor, rising and pulling her dress over her head to go. "Thanks for letting me play!"

And once she was gone, Charlie made Abby pay for her intentional selfishness. And Abby loved every second and ever last inch of his stern, loving cock retribution.

Soft Gets Hard

Swinging always intrigued Teddi, but she admitted she was a bit of a wimp. "I'm shy," she wrote, "but the idea of maybe starting soft, just having sex in the same room with another couple so we could all watch one another, seemed possible. Like something I might be able to work the nerve up for. God knows, I certainly

Chloe
Tight Blonde

Hey, Chloe. A girl like you must have lots of guys after her, right?

"Not exactly. I'm not really dating anyone or seeing anyone right now, and I haven't had a boyfriend in a while. I like to say that the only boyfriend I have is my vibrator! I use him every day. I would really like to meet a guy because I'm randy all the time! Masturbating is nice, but I want the real thing."

Why do you think you haven't met any guys in a while? That's surprising!

"I've met some guys, but none who I really fancy. I went through a bad breakup, and it took me a while to get over it. So during that time I wasn't looking for anyone, and I was pretty closed off. But now I'm starting to feel better and going out more. It'll all happen in due time. For now I get by fantasizing about the cute boys in my classes. I get so lost in my daydreams I'll even get a wet spot in my panties. Maybe one day I'll work up the nerve to talk to them."

What kinds of things do you fantasize about?

"First I think about what it would be like to kiss them. I love kissing, and it really gets me in the mood, especially when it's hot and heavy. I think about sucking their tongues and feeling my pussy tingle. Then I think about feeling their cocks and then going down and sucking it. Hearing them moan, feeling them get harder in my mouth. Then I imagine them ripping off my clothes and sucking on my cunt. I ride their face a little, then they take their cock and put it inside my wet pussy. I look down and see them thrusting in and out. It's much more fun to think about than listening to the lecture!"

Trinity likes cock and pussy!

It's Christmastime, and the ultimate gift for Trinity would be a threesome with a guy and a girl. "I've had a threesome with girls before, now I would like to try one with a guy and a girl. I love to eat pussy and to ride cock, so it's my fantasy to be between a hot guy and girl."

What's the best Christmas gift you ever got?

"My first ever vibrator. I still have it and use it all the time. It's water-proof so I take it in the shower with me a lot. It's quiet so no one hears me, doesn't use up batteries too fast, it's made of this nice, soft rubber material and it has an extra nub for my clit. I always turn it up on high and go to town on my pussy. That thing gives me great cums!"

thought about it all the time when I touched myself!

Once she and Jon had been dating awhile, she confessed her desire. "He was very into it," she said. "Almost too into it! But I figured the cat was out of the bag. I was going to finally live out this fantasy."

And so she began exploring online, visiting websites and hookup bulletin boards for swingers in their part of Texas. "There were so many!" she marveled. "After awhile I ended up touching base with a 25-year-old girl who seemed a lot like me. Cute, short, brunette, curvy, Latina—I guess I'm my own type!" she laughed.

"Her husband was 40, though. She liked older guys, just like me. And she was cool with the idea that I was brand new. We could meet; see if there was a spark and then just start by watching. She had been new to swinging once, too. That sounded perfect to me."

They met at a diner. "I was really nervous, but it didn't take long before we were comfortable. She looked even better than her picture. She was wearing a pink and grey sundress—casual, cotton but very clingy. It showed off the curves in her hips and ass and chest. Very sexy! And from the way her man, Tony, was looking at me, and she was looking at Jon, I thought this was going to be a super fun night. We followed them back to their bungalow."

Jessica put on some music and the guys sat down while the ladies got their groove on. Rubbing and touching just a little, the way girls normally dance, took on a whole new vibe here with everyone aware of what could possibly happen. For fun, Jessica suggested they kiss.

"It wasn't what I'd planned at all!" Teddi told me, "But I liked her. And I thought it would turn Jon on."

She was right. Just minutes after the girls decided to kiss and fondle one another's full C-cups, Jon was up on his feet. "Alright," he said, being a bit macho, "I think it's time for me to cut in." He pulled her to the couch, to his lap, where the make out session continued. Jessica and Tony did the same

The UK is pumping out a lot of fine teens this issue!

There are blonde beauties Brook and Chloe, and now brunette babe Lilly rounds out this sexy teen trio from the UK. She's a college freshman who likes to do yoga and always wears a matching bra and panties. "You never know when something could happen. I just like to be prepared in case I end up taking off my clothes! That's also why I always shave my pussy smooth."

How many times have you had an unexpected sexual encounter?

"Definitely a few times. Maybe like five times. The most exciting one was at a party at my mate's flat. I hit it off with this guy, and the next thing I knew we were making out in an empty room. I totally did not expect anything like that to happen. We ended up fucking in there, and I had a nice, long, hard cum. I've also randomly hooked up with a guy at a nightclub and a cute waiter at a cafe. Also, you never know when a date could get physical. So like I said, I always like to be prepared to fuck!"

**We don't think
guys would
care if you were
"unprepared."**

"I know, but I'm kind of a girly-girl and I like to take care of myself. And that means wearing cute underwear and shaving my pussy and things like that. It makes me feel sexy!"

Katie looks sweet, but she loves to get fucked like a little slut!

We love girls who look sweet and innocent but are really naughty and horny. Katie is one of these types. She has the face of an angel but the body of a sinner! And her favorite sin of all? Getting fucked in the ass. In this layout we see her tight pussy and butthole plugged up and stretched out by a big cock. If you'd like to see the video version, check her out in the DVD *Back Door Brats*, available for order on page 9. "People who don't know me well would be shocked to know that I love dirty sex like getting pounded in the ass!"

HEIGHT: 5'8" **WEIGHT:** 138 lbs.
BRA SIZE: 34B **BORN:** Feb. 17
LIVES: Prague, Czech Republic

First her teen pussy needs servicing.

Katie loves anal, but she's still a teen girl. She can't jump right into a back-door pounding without her pussy getting a little loving first. "Treating my pussy right is the way to get to my asshole," Katie said. "I need to be turned on from regular sex before we can move on to anal. I need at least one or two vaginal orgasms before my ass is ready to be fucked. After I cum I'm nice and relaxed, and then I can have even more orgasms from anal." Just remember, with these teen girls, easin' into anal is the way to go!

Do you like getting your pussy or ass fucked more, Katie?

"I like both of them a lot, but I get my pussy fucked the most often. I save my ass for special occasions or for when I'm really horny. It's just so intense that I don't want to get used to doing it all the time. It's like a treat for me." And this scene is a treat for you, too, because it's not just any teen girl who can take a pounding in her ass like Katie. And in the end she gets a nice load blown on her starfish!

GROUP GROPING

Continued from page 62

on the other.

Jessica was bold, of course. She was experienced. She faced Teddi and Jon, allowing Tony to peel her dress down and caress her hard, brown nips through her pink lace bra, putting on a show for them. Teddi flipped 'round to do the same, "but when Jon popped the front-clasp on my bra I was a little shocked and my hands instinctively rose to cup my ta-tas!"

Everyone had a laugh and then they moved on from here. "I felt bold now that my titties were out!" she laughed. I slid all the way up Jon's lap and popped open his button-fly, easing his hard cock out of his jeans up in front of my pussy and stroking it for Jess and Tony to watch. But then Jessica did me one better and did the same...."

Tony, as it turned out, was huge in the pants.

"It had to be like 10 inches," Teddi recalls, "like a fucking anaconda and the second I saw it I

wanted it in my pussy. I tightened up. I felt the juice just pour out of my worked up pussy. It was even soaking Jon's jeans!"

"You want a little of this, chica," Jessica purred. "Come here and let mami feed it to you."

Teddi didn't even ask Jon. She just left him on the couch with his cock in his hand and got down on her knees, sucking Tony's huge, hard pole—so long it was heavy!—like it was actually Jessica's as it protruded from between her legs. She stroked it and held Teddi's hair while she sucked, her pussy getting wetter by the second.

"How about a 'doggie' party?" Jess suggested, rising up and stripping off her dress. She bent over on all fours on the soft pile rug. She called for

Teddi to join. The two were buns-up-head to head. The men came in behind, packing their guns. Until today, Jon was the biggest Teddi had had—about seven inches and very thick. But Tony's pants monster was something else. He came 'round and stuffed it between the girls for a double-header suck job while Jon watched, rubbing the head of his cock on Jess's swollen, bald pussy lips, then cramming it into her crack. She gasped with Tony's cock in her gullet. The show was on. Tony got behind Teddi and it was almost a race, bouncing asses, slapping meat, fuck noises filling the room as the men competed for the "creamy" brass ring of victory.

Fuck, but his cock was BIG, Teddi thought, loving it, grunting and groaning and tightening her already drum-tight pussy around his stiff rod.

"Oooh, fuck," said Tony, "you are TIGHT!" He started to cum, setting

"Next time I'd like to sit on his face and suck his dick a little more..."

off the chain reaction, and the living room turned into a sprinkler park as arcs of jizz flew overhead in both directions, showering the girls in man cream. They fell on one another in a 69, tonguing the milky crevices of one another's beaten boxes, giving one another the same satisfaction the men got from their macho competition.

"Between Jess's tongue and Tony's huge cock, I'd say it was a very satisfying first experience," Teddi told me.

"I think next time I'd like to sit on his face and suck his dick a little more, though. I want to show off my deep throat skills—and I finally met a guy I can do that with."

Teddi laughs when I ask whether Jon will mind. "Jessi likes it in the ass—and Jon's been begging me for that. I told him he was too big! Since Jess has done it with Tony, he's sure she won't say no! For the first time a man is happy to have the smaller dick. I should call Guinness."

**Welcome
back, Lolly!
Tell us what
you are
listening to
on your
headphones.**

"Just a mix of popular stuff like Lady Gaga and Rihanna. I love to listen to music while I'm cleaning. I always end up in my panties or totally naked shaking my booty! One time I was so into it that I didn't notice that my neighbor was outside and could see me through the window! I was totally naked except for a pair of panties. I was embarrassed at first, and then I was so turned on thinking about him watching me that I had to run to my room and stick a finger in my pussy to cum!"

Do you always use your fingers to cum?

"No, I have a vibrator that I like to use. If I'm not that horny but feel like playing with myself, I'll use the vibrator because it's more intense. It'll take me to the edge way faster. If I'm already super horny, I like to use my fingers because it doesn't take much to make me cum at that point."

**Win Lolly's
panties!**

Send us a letter telling us why you want Lolly's panties for a chance to win them! Send letters to 18eighteen, 1629 NW 84th Ave, Miami, FL 33126. Send emails to letters@18eighteen.com. Deadline is Dec. 26, 2013.

**Would you
ever rub one
out in front of
the window
so your
neighbor
could watch?**

"I don't know! That would take a lot of balls. I like the idea of it, but I think I would be too shy to do it for real. Maybe one day! I wouldn't mind doing it for someone in person, though. Sometimes I'll play with my pussy a little bit when I'm fooling around with someone, but I'd like to put on a full show. One where they can't touch me or their cock, they just have to sit there and watch while I masturbate. Then if I'm worked up enough, and if he's hard enough, I might just suck his dick or let him fuck me. Yeah, that sounds good!"

VIRGIN TERRITORY

Chloe: Perfect Schoolgirl

Dear Virgin Territory,

Your Back to School issue is always my favorite issue of the year, and the 2013 edition was no exception. It's always filled with the hottest girls decked out in my favorite thing ever—schoolgirl uniforms! Lolly was an excellent opener for this issue. The plaid skirt, knee-high socks and cotton panties were great.

I'd have to say my favorite girl of the issue

Chloe likes to show off what's hiding under her school-girl skirt.

was Chloe. She looks like she has updated her look since her last appearance, and it is definitely an upgrade. I almost couldn't believe she was the same girl. The outfit of hers is A+. The opening photo of her bending over in her schoolgirl skirt and flashing her butt took my hard-on to another level. That little tie hanging between her tiny tits is pretty cute, too. Chloe has the perfect teen body and the perfect uniform for the Back to School issue. I hope to see this tight, little teen in hardcore soon.—J.C., via email

Dear J.C.,

Cute, little Chloe will be returning soon with a horny hardcore layout, but until then we hope you enjoy this bonus photo of her!

Flexible Filly

Dear Virgin Territory,

Lacey makes my dick so hard. I want to do all kinds of filthy things to her. I subscribe to your magazine and website, so I have seen her hardcore videos. I like the way she took that big cock and just let the guy have his way with her. I pretended it was me getting to stick my cock in that slit while she had her ankles behind her head. I'm getting horny again just thinking about it. I must have jacked to Lacey like 10 times already. Everything about her turns me on. More of Lacey and her tight cunt!—S.P., via email

Dear S.P.,

Lacey is pretty flexible which makes for awesome sex. Just imagine fucking her the way she is in the bonus photo on this page!

Pee, Please

Dear Virgin Territory,

Thank you! The picture of Natalie peeing on page seven of the Oct. '13 issue was extremely exciting. I would love to see more of your beautiful girlies having a private moment like that. Preferably all of them! Please note in your sales description which of your DVDs includes such scenes. I would really love to see Vee, Gina, Lara and Elizabeth pee. Also Sydney. Again, thank you, you made me an extremely happy subscriber!—J.H., Dayville, Connecticut

Dear J.H.,

Because of censorship issues we try to avoid printing urination photos. But you can see a peeing scene in the movie Teen Angels in Heat. Order it on eboobstore.com.

Lacey's pussy feels even tighter when she's in this flexible position.

Olivia & Diandra Fuck Lesson

Olivia needed sex advice.

And who better to turn to than a hot, experienced MILF? Diandra shows Olivia exactly how to rub, suck and fuck cock. A juicy teen like her is a treat for this couple, too. "Keep sucking. He likes his balls played with, too," Diandra tells Olivia. Olivia obeys; she's eager to please.

This is how this hot three-way all went down...

First Diandra and Olivia rub hubby's cock to get it nice and hard for the both of them. Diandra sucks her husband's cock, then lets Olivia in on the action. His pole is so thick Olivia can barely get her mouth around it, but she manages. Diandra's MILF pussy gets her husband's thick cock first while Olivia looks on in anticipation and rubs her eager clit. Soon it's Olivia's turn, and she gladly takes that fat dick, her tiny pussy lips hugging his thick shaft and her perky titties bouncing as she gets pounded. Her girl-cum covers his cock, and then his nut sauce covers both Olivia's and Diandra's faces! If you'd like to see the video of this sex lesson, log on to 18eighteen.com.

HEIGHT: 5'3" **WEIGHT:** 112 lbs.
BRA SIZE: 32B **BORN:** March 10
LIVES: Orlando, Florida

Was this your first time in a three-way?

"Yes," said Olivia. "It was also my first time being with an older woman. Diandra is sexy and made the experience really hot. I watched the way she sucked cock to get some tips for myself, and I loved the way she guided his cock into my pussy."
